1. Leave The Turks Head car park by turning left along the road to a footpath on the left hand side of the road between two hedges. (100m)
2. Turn left along footpath to paddocks at the far end, pass through these diagonally to a gate in the opposing corner. Go around the gate and turn right along the track, in front of Red Barn, to the road. (560m)
3. Cross the road and continue along field edge, hedge on your right. Just prior to reaching the top of the field there is a small bridge over the ditch on your right, cross this and turn left into the woods. Follow the path through the woods to paddocks on the far side. The path continues between paddocks and hedge until reaching the road, after a few twists and turns. (780m)
4. At the road turn right and continue to junction with Boulge Road where you need to turn right for 120m to a small entrance prior to Highfield Cottage. (700m)

After passing through the gate cross into the field and turn right for a short distance prior turning left after entering the adjacent field. Follow the edge of the field with the hedge on you left. At the end of the field pass through into the next field and continue in similar direction to the far side of this field where a gap in the hedge can be found with a footpath sign. (740m)
6. After passing through the gap turn right and continue in this direction through two metal gates onto a concrete roadway. The hedge along this stretch is on your right. Continue along the roadway until you reach Blacksmith Road. (760m)

Take this path passing paddocks until you find a footpath sign indicates a path to the right go along this into the church yard of St Andrew's passing out of the lych gate onto Church Road. (500m)
