Churches

*Can be muddy in places, not suitable for
pushchairs or wheelchairs.*

1. Leave The Turks Head car park turning left onto Low Road, continue until reaching Church Road where you turn right to the footpath at the lower church lych gate. (410m).
2. Pass through the church yard of St Andrew's and along pathway until reaching junction of paths, then turn left up the slope until reaching Blacksmiths Road. (410m)
3. Turn right at the road for 70m then take the track on your left sign Home Farm. Continue along this track until reaching a metal field gate. Pass through this and the next gate with the hedge on your left. Approximately 230m after the second gate there is a footpath sign on your left over a small wooden bridge, take this path. (760m)
4. Go along this field, hedge now on your right, when at the end of field turn right into an adjacent field. Walk directly across this field to the closest corner of the opposite hedge then continue into another larger field in front. Here you need to walk directly across the field on a course slightly diagonally left. This will take you to a small copse on the far side where footpath signs and small bridge can be found. (960m)
5. After crossing bridge follow pathway through copse to fields on far side. Here you will continue along the edge of the field with the hedge on your right until reaching the road. At the road turn left and continue until reaching Red Lodge where a track can be found on your right. (1.36km)
6. Take the track past Red Lodge House to an open pasture, here turn right along a grass track to a hedge with large ditches either side. At this point there is a wood to your front left, walk across the field to the right hand corner nearest to you.
7. Then along pathway until reaching the church of St Michael's at Boulge. (940m)
8. After viewing the fine church and yard, return along the route you came until reaching the track adjacent to Red Lodge. This time continue along the meadow with hedges and woods to your left. Keep on this waymarked path over stiles until reaching the road. (1.44km)
9. Turn right along the road until locating a stile on your left just after Hasketon House. Take this stile and walk around two paddocks before entering a wooded area. Pass through the wood and a short way along the field a gap opens with a small bridge, cross and turn left following the edge of the field to the road. (900m)
10. Cross the road to follow the track facing you until reaching a wooden gate and footpath signs on your left between Red Barn and White House. Take the pathway through the paddocks and along the avenue of trees at the opposite side. On reaching the road turn right back to The Turks Head where drinks and refreshments may be purchased. (650m)
