Walk E

Short walk approximately 2.7km from St Mary's Church, Grundisburgh with views across the River Lark.

Can be muddy in places, not suitable for pushchairs or wheelchairs.

The route also available to download and follow on Smartphone free of charge at

1. From The Green take the path along Woodbridge Road, with St Mary's church on your left until reaching the B1079 road. (410m)
2. For safety take the pathway through Lyttleton Meadow re-joining B1079 at the far end. Cross the road and follow path to short Cul de Sac as main road rises. Take the path on the left as you enter. (200m)
3. On entering the field go diagonally to the right crossing a bridge over the River Lark to gate on far side. Go through the gate and turn right keeping close to the hedge. After passing through the next gate continue in the same direction until passing over a covered ditch, then go left to a gate in the hedge. (470m)
4. In this field take a line that continues straight heading for the corner of a hedge that can be seen at the top of the rise. A wooden bench can be found here to enjoy the views. From the bench continue along the edge of the field with hedge on your left, pass through two hedges until a wood can be seen in front of you. (220m)
5. Pass across the field to the bottom edge of the wood, then walk around the bottom of the wood until a foot-path sign is found pointing across the next field. Take the path across this field to reach Mill Lane, the pole should be on your left. (590m)
6. Reaching Mill Road take the path directly opposite you and continue in a straight line until you reach Low Road. (150m).
7. On joining the road continue straight along to road until reaching The Turks Head which will be on your left where drinks and refreshments may be obtained. (630m)

Please follow the Countryside Code whilst on this walk, especially: -

- Take litter home with you
- Dogs to be kept on leads, horses are stabled adjacent to this walk, there are also working farms with livestock in the area
- Take dog excreta away to ensure others can enjoy the walk.
- Do not damage trees and other vegetation as these provide valuable habitat for the wild life.
- Care must be taken on the roads, they are relatively quiet but agricultural vehicles use them at all times of the day.
- Stay on the designated footpaths.
