### **Walk G**

Short walk approximately 4.2km from  
Market Hill, Woodbridge across fields

*Can be muddy in places, not suitable for  
pushchairs or wheelchairs.*

1. From the Woodbridge Shire Hall on Market Hill walk into Theatre Street, continuing along Burkitt Road prior to joining Hasketon Road and eventually emerging at the A12 adjacent to the pedestrian lights. (1.2km)
2. After using the lights to cross the A12 take the path that runs adjacent to the hedge up to the junction with Manor Road. Here you need to turn left where a track with footpath sign can be clearly seen on the opposite side of the road. (250m)
3. Go along the track with Hasketon Manor on your left and The Old Dairy on your right entering open farm land, here the path goes to the left of the hedge and down a gradual slope. (340m)
4. Walk along the edge of the field with the hedge on your right. At the bottom of the hill go through the gate into a narrow field where another gate with a bridge can be seen opposite. (350m)
5. After crossing the bridge continue up the gradual slope with the hedge on your left to a gate at the top of the field. Pass through this gate and go diagonally across the field to a gate in the top hedge about 70m to the right of Home Farm. (370m)
6. Go through this metal gate and continue along left side of field to a track through and avenue of trees on the far side. Walk along this track and then left on the tarmac roadway until reaching the junction with Boulge Road. (680m)
7. At Boulge Road turn left and then immediately right along Chimney Pot Lane to a track on the left at the bottom of the slope. Follow the track until reaching a wooden gate and footpath signs on your left between Red Barn and White House. Take the pathway through the paddocks and along the avenue of trees at the opposite side. On reaching the road turn right to The Turks Head where drinks and refreshments may be purchased. (980m)

**Please follow the Countryside Code whilst on this walk, especially: -**

- Take litter home with you
- Dogs to be kept on leads, horses are stabled adjacent to this walk, there are also working farms with livestock in the area
- Take dog excreta away to ensure others can enjoy the walk.
- Do not damage trees and other vegetation as these provide valuable habitat for the wild life.
- Care must be taken on the roads, they are relatively quiet but agricultural vehicles use them at all times of the day.
- Stay on the designated footpaths.
