**Walk I**

Short walk approximately 4.4km from St Andrew's Church Bredfield to The Turks Head across fields and pastures. Plenty of wildlife and flowers.

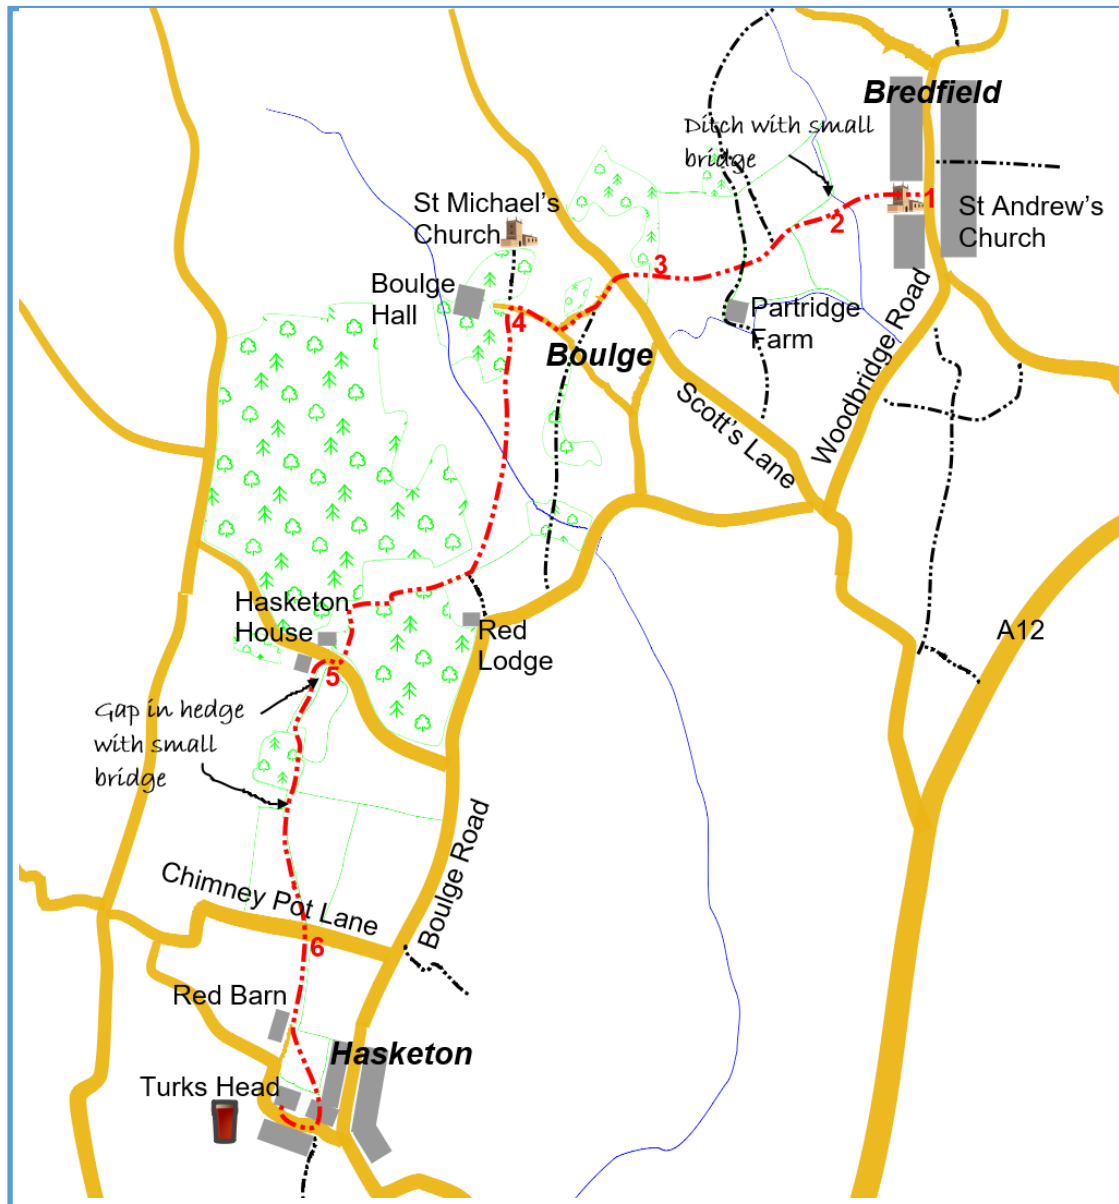

*Can be muddy in places, not suitable for push-chairs or wheelchairs.*

1. This walk commences on a footpath that passes through the north side of St Andrew's church yard and continues through the gates at the rear of the church into open countryside along a well-defined pathway. At end of field cross the ditch over the bridge to a footpath sign. (300m)
2. From the sign cross the field at a slight angle to your left heading for a gap in the hedge approximately 75m to the left of Partridge Farm. The footpath sign in this hedge can be seen after walking just a short distance. Pass through the hedge and go directly across the next field to another footpath sign and through the gap in the hedge over a small bridge. (730m)
3. As you pass through the hedge a track can be seen on the opposite side of the road (Scotts Lane) on your left with sign to Boulge Church and footpath signs. Cross the field to these signs, after crossing the road walk along the track to a T junction, taking the right-hand fork heading towards Boulge Church. (540m)
4. At the end of the paddock on your left, just before the turn to the church, take the path that goes between the paddock and garden/wood heading away from the church. At the end of the wood there is a large cedar tree, from this point head across the field to your left to a point midway between two old oak trees. Part way across the field the gateway to which you are heading is visible. Pass through the gateway and head along a rough grass track across open meadows. (Dogs must be on leads in this area). A larger track can be seen in front that heads towards a large red brick house. Do not take this track, but continue along the meadow adjacent to the hedge and woods on your left-hand side. This will take you to stiles into a small wood prior to reaching the road. (1.3km)
5. Turn right along the road until locating a gap in the hedge with a small wood bridge on your left just after Hasketon House. Take this path and walk around two paddocks before entering a wooded area. Pass through the wood and a short way along the field a gap opens with a small bridge, cross and turn left following the edge of the field to the road. (900m)
6. Cross the road to follow the track facing you until reaching a wooden gate and footpath signs on your left between Red Barn and White House. Take the pathway through the paddocks and along the avenue of trees at the opposite side. On reaching the road turn right back to The Turks Head where drinks and refreshments may be purchased. (650m)
